## Summer Camp Letter to Parents

Please remember to send your child in comfortable clothing for hot weather. An extra set of clothing should be left at the center.

Children must wear shoes and socks. No open-toed shoes!

Children need sunscreen and a possibly a hat for sun protection. Please send in sunscreen labeled with your child's name. Products will be returned at the end of the summer session. Child Care Licensing's (CCL) application of sunscreen permission form must be signed.

As children love to play lots of water games, please send in a bathing suit and towel (beach towel preferred). Items will be sent home to be laundered and returned after each use.

Snacks will be provided. Please send in a lunch with a drink for your child. As healthy eating is part of our curriculum, parents are encouraged to pack a nutritious lunch. As our program is housed in the east wing of the synagogue, there are food restrictions. No meat is allowed. Tuna, eggs, cheese, and peanut butter are other great sources of protein.

PLEASE remember to LABEL all of your child's belongings.

All field trips are subject to change or canceled due to weather or other circumstances.

PLP adheres to all CDC guidelines in response to the pandemic.
